Abstract

ino is an R package for the initialization of numerical optimization...

Keywords: numerical optimization, initialization, R.

1. Introduction

The R (R Core Team 2017) package **ino** (Oelschläger and Ötting 2022) implements...

2. Conclusion

Computational details

The results in this paper were obtained using R 4.2.1 with the **ino** 0.1.0 package. R itself and all packages used are available from the Comprehensive R Archive Network (CRAN) at <https://CRAN.R-project.org/>.

Acknowledgments

This work has been financed partly by the Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) - Projektnummer 356500581 which is gratefully acknowledged.
